Father's Name: _____ **Occupation:** _____

Please list your dance experience and teams that you have been on, starting with the most recent. (dance lessons, where & how long; awards or honors)

What other clubs or organizations do you belong?

How did you find out about the Belles?

I have discussed the responsibilities of being a Belle with my daughter. We understand the requirements and costs (no refunds), time commitment, and physical endurance. I understand her obligations and responsibilities as a member of the Bellaire Belles and will help her in her assignments throughout the year. I give her permission to participate in try-outs and understand AND agree that the decision made by the judges is final.
